Students should be prepared to attend beyond the session time if this is necessary to complete the topic, without any further payment of fees.

1. At the discretion of the tutor, student attends the first session to get a feel and understanding of the sessions. No fee is payable, if the student decides not to continue. Fee is payable from the first session if the student decides to continue.
2. Fees are collected on a monthly basis on the 15th of the month for the following month. The fee will be collected for 4 sessions and 4 sessions are provided every month irrespective of public or school holidays. If there are 5 dates in a month for a particular weekday (e.g. 5 Mondays in a month), one of the 5 weekdays is missed.
3. A student may discontinue at the **end of any month** provided a written notice is served in the prior month e.g. to discontinue at the end of February, written notice must be served on or before 31st January. Discontinuation of Student(s) from a group may affect the fees of other students as per above table.
4. All students within a group are required to attend – there are no make up sessions for absentee student(s). However, there is flexibility in terms of timing provided all students can agree a time mutually convenient to all the students and the tutor. Generally, this happens during school holidays when families may be going away on holidays. Students are encouraged to network to discuss homework and work as a team. It is important that students attempt and have a fair go at the questions set as homework to make the best use of session time.
5. Any student may opt for a one-on-one tuition for an hour at the above rates. This may be necessary for the student to keep pace with other students in the group or to address any individual needs nearer the test/examination.
6. Students are advised to keep the tutor informed of their test results in the school and send a scanned copy of the test to the tutor for a free consultation and discussion of the test.
7. Fees are subject to change on the 1st of July every year or soon thereafter. At least 4 weeks' notice is provided for any change in fees.
